The Memory

As we honor the memory of Eric Yerman, we wish to do so in a way that embraces all that he stood for. Eric's love of God, family and community was evident in every worthy goal he pursued. He was distinguished by almost 17 years of service with The Alachua County Sheriff's Office and the Florida Department of Law Enforcement.

The Legacy

It is only fitting to choose a charity which embraces those same values that were reflected so strongly in Eric's life. The Friends of Children organization has been established upon those same values of faith, family and community and has proven to be an organization which exhibits honor and integrity in all they do.
